

# Propane Construction Incentive Program

Install Propane Appliances in Newly Constructed Homes and Receive up to \$1,000.00 in Rebates

The Oklahoma LP Gas Research, Marketing and Safety Commission will pay you up to \$1,000.00 for each new home (up to 3) completed between July 1 and December 31, 2023, if you include propane appliances.

## Funds are limited so apply as soon as possible!

**Who is Eligible?** Oklahoma Home Builders

### What are the Rules?

- The home(s) for which you are applying must be completed between July 1 - December 31, 2023;
- Each builder is limited to three (3) rebate applications;
- Builders must install a Hot Water Heater AND Furnace to be eligible for ANY amount of rebate;
- Only residential construction is eligible;
- A completed Form 4/Safety Check performed by a propane supplier must accompany the application;
- Any omissions and/or errors will negate the rebate process;
- Serial/Model numbers for each appliance must be listed on the application;
- Applications will be considered on a first come/first served basis as long as funds are available.

### How to Apply?

- Visit [www.oklpgas.org](http://www.oklpgas.org) for an application.
- Once completed, submit your application to the OK LP Gas Research Marketing and Safety Commission
- You will receive notification of acceptance or rejection

Propane is a home energy upgrade that gives your customers superior comfort and lower energy costs compared to all-electric homes. That's why, for homebuilders, adding propane performance is a significant competitive advantage.

Plus, you can earn up to \$1,000.00 per home (limit 3) when you add propane appliances.
