Oklahoma Propane Education Scholarship Rules and Requirements

The Oklahoma Propane Education and Safety Council (OPESC) approved the following Rules and Regulations for the Oklahoma Propane Education Scholarship Program. The purpose of the program is to award post-secondary education scholarships to children of Oklahoma propane marketer employees.

The application window will open December 15th and close February 15th.

Eligibility:

- The Oklahoma Propane Education Scholarship is open to children of Oklahoma propane marketer employees.
- Children must be a graduating high school senior from an Oklahoma high school or homeschool.
- Students may pursue any course of study at two- and four-year colleges or technical, trade, or vocational schools.

Requirements:

- The Oklahoma Propane Education Scholarship Application must be completed in its entirety.
- The Oklahoma Propane Education Scholarship Application must be submitted by February 15, 2026

Notes:

A maximum of ten (10) \$1,000 scholarships will be awarded per year.
The Scholarship Committee will recommend winners to the Council.
Winners will be approved by the Council.
Recipients will be notified of acceptance status by April 1.

Other:

Recipients will be promoted on all appropriate media platforms.
Press releases will be sent to recipients' area news sources and schools.
Presentations will be made to recipients when and where appropriate.
