**Curriculum uses the current Edition of NFPA 54 (2024) and NFPA 58 (2024).**

**It is strongly encouraged to have the handbook version of both.**

Please bring these materials with you to class. If you need to purchase them, you can do so from the Oklahoma Propane Gas Association (OPGA) via credit card or check payable to OPGA. To reserve and/or pay for books in advance, please contact OPGA at [opga@okpropane.org](mailto:opga@okpropane.org) or (405) 424-1775.

**Registration is free, but you must register in advance.**  
**Complete this form and return it to the**  
**Oklahoma Propane Education & Safety Council**  
**via email or mail.**
